

Primary Teacher Positions

For the coming 2022-23, school year, Choice School is anticipating position(s) for a Primary classroom teachers

As an experienced special educator, if you are looking for a change, an opportunity to engage with gifted students, support teaching staff and families, we have an opportunity for you!

Our school offers personalized programming carefully crafted to meet the needs of these learners who have so much potential. This is a unique opportunity to work with a dedicated staff under supportive leadership in a school with innovative programming.

Successful candidates will provide evidence of:

- a clear understanding of the developmental **progression** of K-8 **learners** and the BC Curriculum for primary **or intermediate students**;
- familiarity with special education and **SEL** pedagogy that supports students who have gifted profiles and/or twice exceptionalities;
- knowledge of the environmental factors needed to create **nurturing, stimulating** learning experiences that support the whole child;
- the ability to and experience **with team teaching and collaborative planning; knowledge of backwards design curriculum** planning to facilitate inquiry, provocation, creativity, critical thinking, and core competencies;
- fluency in both formative and summative assessment practices.

Choice supports their staff with extended health and dental coverage, a focus on professional growth, planning and preparation time integrated within the school day and competitive remuneration.

Applications should be submitted to office@choiceschool.org and must include a current Curriculum Vitae, a cover letter that describes the applicant's educational philosophy, contact information for three professional references, and a copy of the applicant's Certificate of Qualification from the Teacher Regulation Branch. We thank all candidates for their applications and consider them carefully.
