PARENT AGREEMENT FOR BUS SERVICES - POLICY S-12

Choice School provides and maintains a school bus to accommodate parents by providing daily student transportation to and from school for a fee. In addition, the Choice Bus is used to transport students on field trips and other educational outings. Safety of operation is the paramount consideration. The bus driver is expected to perform as a professional driver and observe all requirements of the Motor Vehicle Act. The bus operates on a strict schedule and student behavioural expectations are clearly stated, shared with parents and reviewed and updated as required.

Student Expectations

Safety of operations is paramount and in order to maintain safety, these expectations for student behaviour* are mandatory.

1. Students are expected to conduct themselves to the same standards as the classroom. Shoving or pushing will not be permitted. While talking among students is permitted, there must be no undue noise.
2. Students must remain seated while the bus is in motion. Students must **remain** in their seats until the bus comes to a complete stop.
3. Students are required to wear seatbelts properly buckled for the duration of the trip.
4. Students must line up to embark on the bus in an orderly fashion. Students are also expected to line up and disembark from the school bus in an orderly fashion.
5. Students are expected to behave in a respectful manner towards the bus driver.
6. At their discretion, drivers can assign a particular seat to a student.
7. Students are not permitted to use profane language while on the bus. Language standards are the same as in the classroom.
8. All cases of misbehaviour on the school bus shall be reported by the driver to the Principal. Misbehaviour may result in suspension of the privilege of riding the school bus.
9. From time to time, during school bus journeys, the passenger area may be video recorded. This is for safety reasons and to ensure student behaviour on the bus falls within student conduct rules.
